They're growing like... weeds

Those wonderful winter rains have led to lovely displays of wildflowers all over Arizona. Unfortunately, they've also created a bumper crop of weeds. Which means that it's time to heed the City of Tucson's weed ordinance. It prohibits any and all weeds or lawn grasses that are over 10 inches high.

Lights out?

If our winter rainfall has caused your street light to go dark, report it to the city at 791-3154, or 791-4144 after business hours. You can also use these numbers to call to report non-functioning traffic lights.

City of Tucson Info Guide

Whether you're new to Tucson, or have lived here for years, there is plenty of useful information in the city's free Info Guide. Whether it's up-to-the-minute news about local road conditions, or facts about jury duty, you'll find it in the Guide. Call the Department of Neighborhood Resources at 791-4605 to get your free copy
